IEEE/IFIP NOMS 2018

23-27 April 2018
TAIPEI, TAIWAN

"你好" AND WELCOME TO
IEEE/IFIP NOMS 2018
IN TAIPEI !!

Excitement is already building for IEEE NOMS 2018 next April in Taipei, Taiwan and we want you to be a part of it as a patron!

Taipei, the city in which the conference will be held, offers NOMS attendees state-of-the-art conference facilities together with outstanding food and exciting nightlife. Taipei stands out to be the ideal setting for NOMS attendees to experience the blend of Taiwanese culture with a curious fusion of cultures from different areas in the world. Taipei is also well known for having numerous night markets, which are open at night and offer various Taiwanese snacks, clothing, and accessories. Because Taiwanese night markets are places you must not miss whenever you visit Taipei. Taipei also has the warmest and friendliest people in the world. As the participants of the conference, you will definitely be impressed by the generosity, hospitality, and kindness of this city.

ABOUT IEEE NOMS 2018

It is our great pleasure to invite you to attend the IEEE/IFIP Network Operations and Management Symposium, NOMS 2018, on 23-27 April 2018 in Taipei, Taiwan.

Held in even-numbered years since 1988, NOMS 2018 will follow the 30 years tradition of NOMS and IM as the primary IEEE Communications Society's forum for technical exchange on the management of information and communication technology focusing on research, development, integration, standards, service provisioning, and user communities. NOMS 2018 will offer various types of sessions: technical, experience, demo, poster, and panel. The conference brings together researchers and practitioners from academia and industry which provides a multidisciplinary forum to explore the hot-test areas of information and com-munications technology manage-ment related to industry, academia, government, enterprise and other market segments from around the world. NOMS 2018 will also present up-to-date approaches and technical solutions for novel management paradigms to deal with the new manage-ment issues in future infrastructures. In NOMS 2018, you will be able to network with friends, colleagues, customers, and vendors from around the world.

PATRONAGE BENEFITS

The following four levels of patronage include benefits which previous NOMS patrons have found valuable in creating corporate awareness among the hundreds of network operations and management experts at NOMS. However, the NOMS 2018 Patron Committee will work with your company to tailor these patronage packages to maximize the value of the patron opportunity to your circumstances.
